Wellness Center

Located on the second floor of the hotel, our wellness center welcomes you in an intimate setting combining wood and marble. Accessible to both residents and non-residents.

Our center features two areas, one dedicated to wellness and the other to treatments. You will receive personalized care throughout your visit.

With its three treatment rooms, including a duo room, the treatment area invites you to discover prestigious brands for face and body care.

PURE ALTITUDE is the benchmark in SPA cosmetics inspired by alpine plants. Each treatment ritual offers a moment of escape and rejuvenation, like a pause in the heart of the mountains.
